

STATEMENT OF SELECTIVE SERVICE REGISTRATION COMPLIANCE

In August 1986, the Ohio General Assembly passed House Bill 845 which requires that all male students between the ages of 18-26 and who are Ohio residents, must register with the Selective Service System and file a statement of their selective service status, or must be charged the tuition surcharge for non-Ohio residents for attendance at any state college or university.

Kent State University and its eligible male students are required to verify selective service status; please do so by checking the appropriate statement and signing your name.
